Nancy Skinner has once again been supported by a major organization fighting to protect women's reproductive health. The National Abortion Rights Action League (NARAL) Pro-Choice California has endorsed Skinner for State Senate in District 9.

NARAL released this statement:

"Nancy is a champion for reproductive justice. The East Bay needs a leader who will always vote to protect a women's right to choose and Nancy has consistently proven her commitment to families and choice."

- Amy Everitt, State Director, NARAL Pro-Choice California

NARAL was founded in 1969, pre-Roe v. Wade, and was originally dedicated to repealing state laws making abortion illegal. Today, NARAL is active in all 50 states working to oppose never-ceasing efforts by anti-choice legislators to restrict a women's access to a safe and legal abortion

Nancy Skinner is a stalwart pro-choice advocate, receiving a 100% lifetime voting record from both NARAL and Planned Parenthood. "I am honored to stand with NARAL," stated Skinner in response. "It is hard to believe that 43 years after the Roe v. Wade decision that our rights are still in jeopardy. I am grateful indeed that NARAL is so tireless and effective in their advocacy."

Nancy Skinner has scored a clean sweep of organizations working for women's rights and gender equality, including:
